

# Boronia Road Uniting Church visit to Kurth Kiln

## Saturday 19 March 2016

The Boronia Road Uniting Church is a welcoming community based on the need to share their faith, and support each other in their faith journey; it provides loving practical support particularly in time of need. There is a strong sense of belonging. The Congregation is committed to a continuance of fellowship and encouragement, supporting and nurturing each other in their faith, love and discipleship. After a welcoming cup of coffee Alfred gave a talk about the history of the kiln and the use of gas producers, before looking around the kiln site.

After lunch the group enjoyed a walk along the Tomahawk Creek Track, they were interested in the different types of flora and loved listening to the gurgle of the Tomahawk Creek over the rocks.
