WHYLD is an acronym that stands for the towns of Woori Yallock, Hoddles Creek, Yellingbo, Launching Place and Don Valley. All residents of these towns are considered to be part of WHYLD. The WHYLD community group have been around for a few years now, and their vision is to unite these five small towns to form a larger and more connected community. WHYLD have facilitated a number of free local events aimed at bringing residents together, such as WYTAG Garage Sale, Woori Open Day, Winter Warming, Woori Kid's Fest and Camelot Castle Medieval Village Fair.
