

Waverley Walk at Kurth Kiln

27 October 2018

We were a small group of eight starting off on the north side of Tomahawk Creek to a narrow, unmarked track to Spotover Track, then continued again on the unmarked track to Manna Gum Track. We turned left until we reached Monkhouse Track. There we turned right, stopping at the dam to look at the trees reflecting in the water before continuing to Old Beenak Road.

On old Beenak Road we walked to Boundary Road where we had a break for morning tea before walking to Shepherds Creek Road, crossing the Shepherds Creek and walked uphill to Ure Road.

On Ure Road the walk continued to Bullock Track where we enjoyed lunch admiring the scenery. After lunch we carried on to Holtz Track and back to Shepherds Creek Road and via the Tomahawk Creek Track, listening to the water rushing past, we returned to Kurth Kiln.

It was a lovely walk, many of us admired the beautiful wild flowers along the way.
