

# Gembrook Market 26 August 2018

On Sunday 26 August the Friends of Kurth Kiln took their display to the Gembrook Market at the Community Hall.

It was a great opportunity to talk to the many visitors and also promote the Friends of Kurth Kiln funding application to "Upgrade Public Picnic/Camping facilities in Kurth Kiln Regional Park", a way to effectively participate in the current 'Pick My Project' activity.

Internet Voting for projects opened on Monday 13 August and will close on Monday 17 September 2018. For our project to win, it needs many votes from the public. Anyone who

resides within 50km the project's location (Gembrook) 16 years or older, is eligible to vote. The improvements to the site facilities would greatly benefit all the visitors who come and camp, have a picnic, ride their horses and walk in the area.

Many Market Visitors had a look at our display and had a friendly chat with us

At the Market we met up with many of our good friends groups, such as the Hoddles Creek Red Cross, the Gembrook Craft Group and others.

**We thank the Gembrook Committee for the opportunity to participate in the market.**
