

Lilydale Seventh-day Adventist Church

Pathfinders excursion to Kurth Kiln

Saturday 19 March 2016

Their Pathfinders program is similar to Scouts. It is designed for 10-16-year-olds to socialise with each other as well as learn and develop life skills. Run by qualified and committed leaders of the church, Pathfinders participate in a range of activities, including - abseiling, canoeing, camping, hiking and crafts.

They also learn to develop important life values such as teamwork, commitment and self-respect.

Activities on the Tomahawk Creek Track

Honour badges can be earned for completing requirements on specific topics in the areas of nature, craft and recreation, and at the end of each year Pathfinder clubs present awards to Pathfinders on achievement of various skills.
