

Waverley Walking Group Kurth Kiln walk

Saturday 2 April

On a lovely autumn day fifteen Glen Waverley members and Bev and Ursula from the Friends of Kurth Kiln participated in the walk. After circling up, the walks started off on the Tomahawk Creek Track. They walked to the Spotover Track, which is mainly uphill. Arriving at Manna Gum Track they had a short drink break before going on to Monkhouse Track and past the dam to Beenak Road. After another short drink stop they continued to Boundary Track where they stopped for morning tea.

Refreshed they continued to Shepherds Creek Road and walked uphill to Ure Road. It was easy walking on the flat Ure Road to Bullock Track.

After the first steep hill on Bullock Track they stopped for lunch, then continued downhill and uphill to Holtz Track. From there it was all the way downhill back to

Shepherds Creek Road and then to Tomahawk Creek Track. After a short rest, and saying goodbye to a couple

who had another commitment, the group walked the Thornton Track to Alfred and Ursula's home for afternoon tea before returning to their cars via the Scout Loop Camping site. The walk was close to 20km.
